Grounded in the Hawaiian language, Kawaikini NCPCS will create a productive community of bilingual and biliterate citizens in a supportive K-12 learning environment where indigenous cultural knowledge is valued, applied, and perpetuated.

Kawaikini New Century Public Charter School is a unique Hawaiian learning experience for the entire family with an emphasis on Hawaiian values and language immersion. For this reason, participation in Kawaikini requires a commitment from everyone involved in order to realize the full benefit of this Hawaiian-based learning environment.

Proficiency in both English and Hawaiian is a very important goal at Kawaikini. Therefore, students in Kindergarten – Grade 5 are immersed in the Hawaiian language. In grades 6-12, some courses are taught exclusively in Hawaiian, while others are taught through the medium of English. This provides a special opportunity for students entering in younger grades, while presenting unique challenges for students applying in the older grade levels.

Please read this entire packet carefully and return required forms to the address above by **Feb. 23, 2024**. If more qualified students have applied than space allows, applicants over and above the enrollment limit will be placed on a waitlist. The order of qualified applicants on the waitlist will be determined by a public lottery. As space becomes available, waitlist applicants will be contacted.

Mahalo for your dedication to your child's education and the Hawaiian language and culture
